ACORD Life and Annuity Program Members Collaboration Area

Welcome to the ACORD Life Standards Program Member Collaboration and Resource Area - aptly named teams.acord.org. This forum is your primary resource for working groups, documents, events and discussions related to the ACORD Life Standards. Be sure to wander around, there is a lot here, more growing every day!

All groups are now loaded with the current members and are functionally active. We will add historical documents and previous cycle materials over the coming months. We are now actively shifting to using this forum for email, calendar and file sharing for all groups (moving from workinggroups@acord.org).

We ask that you do not send or reply to emails in this one folder (Life/Annuity Program) since it goes to *all* members of the Life Standards Program. Please freely use the appropriate subgroup (WG, Q&A, etc. see below). Also feel free to use:
